

COME ONE, COME ALL !
La Leche League of the Sunshine State
cordially invites you to attend the 6th annual

FAMILY RETREAT FOR LEADERS AND APPLICANTS

WHEN: Friday, March 4th through Sunday, March 6th

WHERE: Luther Springs Retreat Center in Hawthorne, FL

WHY: Enjoy a Relaxing Weekend of Fun, Friendship, & Food
with Your Fellow (and Future) Leaders

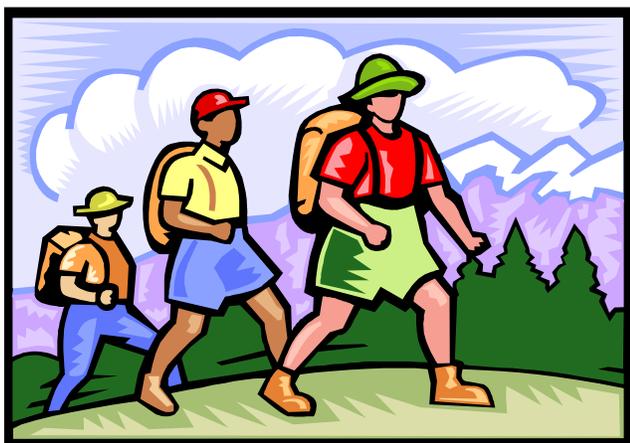

We are making our annual trek to beautiful and peaceful Luther Springs! The retreat center is set in central Florida about thirty miles east of Gainesville in the midst of 350 acres of mature woodlands, lakes, and prairies. The waterfront area on Lake Vause is perfect for relaxing, fishing, canoeing and boating - with a fleet of canoes, paddleboats, 2 catamarans, and a pontoon boat available for water activities. Hikers can trek

through the pristine wooded areas and along natural marshland abundant with wildlife.

Whether you choose to come with your family or decide to attend solo, you'll find an abundant choice of activities at your fingertips. This is your weekend and your retreat, so feel free do everything, or put your feet up and do nothing at all but listen to birdsong!

From camping to cabins to motel-style rooms, there are over-night accommodations to suit everyone's preference and pocketbook. The campground has both RV and tent sites. All 14 RV sites are equipped with water and electricity hookups; an RV dump station is conveniently located near the front of the camp. For tent campers, there are 10 primitive tent sites with centrally located water and nearby shower and toilet facilities. However, with 350 acres of woodlands available to you, the possibilities for tent camping are endless - limited only by your desire for proximity to the shower house!

A playground, picnic tables, cooking grills and fire rings are convenient to all designated campsites.

The cabins have sleeping accommodations for up to 11 people per unit in one twin and five sets of bunk beds. Each of the four cabins is also carpeted, heated and air-conditioned, and has toilet and shower facilities. You can either choose to provide your own linens, or they are available through the retreat center for an extra charge of \$5 per person. One of the cabins will be set aside as a communal cabin for individual registrants; groups of six or more

may reserve one of the other three cabins on a first come, first served basis for private occupancy. Motel rooms feature either two twin beds or one queen and a set of bunk beds.

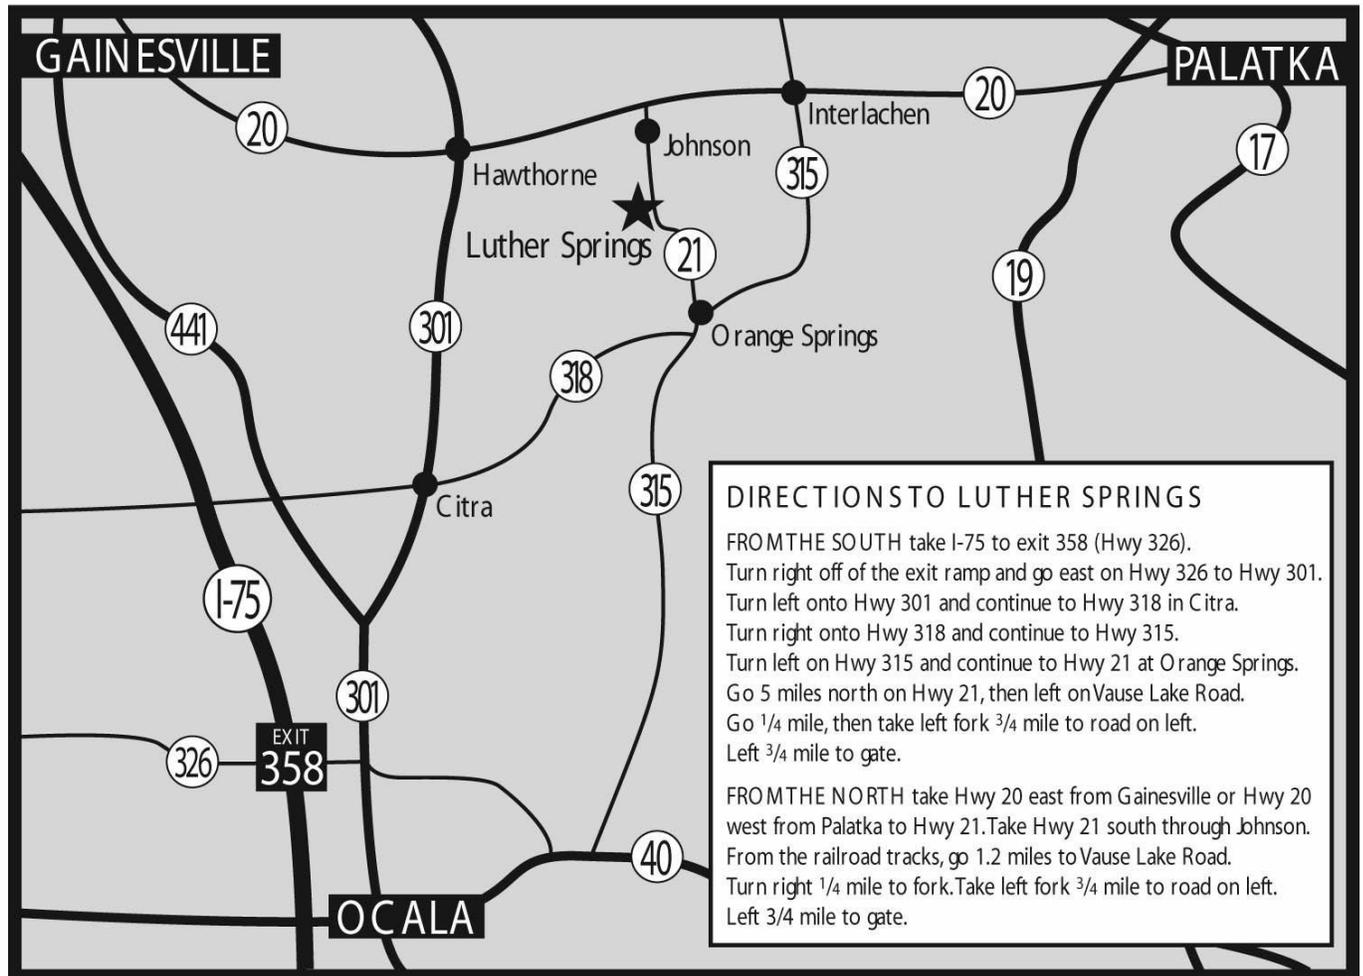

Breakfast and lunch are included in the price of the cabin accommodations with vegetarian options available. Single night accommodations include two meals - a Friday night stay includes Saturday breakfast and lunch; Saturday night includes lunch on Saturday and breakfast on Sunday. Those staying both Friday and Saturday nights will enjoy three prepared meals - breakfast and lunch on Saturday, as well as Sunday breakfast. Tent and RV campers may choose to prepare meals at their campsites or elect to purchase meals on an ala carte basis. (See Registration Form for details.)

As always, we're planning a community potluck feast on Saturday evening to be followed by a roaring bonfire complete with roasted marshmallows and s'mores. There will be a limited amount of refrigerator space available for food storage, as well as a microwave for reheating our culinary offerings. And - if boating, hiking, and eating aren't enough for your crew, other fun family activities will be offered throughout the weekend. More on that to follow!

So mark your calendars and make your reservations today to get together with your fellow Leaders for this fun-filled gathering! The reservation deadline this year is February 18th. If you have retreat questions or you would like to volunteer to help, please contact Susan Overton by phone @ 813-237-6827 or e-mail @ susanovertton58@gmail.com .

Map and Directions to Luther Springs Retreat Center:

Luther Springs staff strongly suggest that you do not rely on your GPS navigation system for directions to the retreat center as doing so will almost certainly result in you becoming lost! There are several private roads that appear on the GPS system which are not accessible to public traffic.
